

Cubbies journey through their handbooks together, one section per week. The Cubbies curriculum features two handbooks written in a fun, storybook style that appeals to preschoolers. The handbooks contain 24 Bear Hug sections along with six optional special-day sections. Each section combines basic Scripture memory with parent-child activities to help a child grasp a simple biblical truth. Two extra-credit handbooks containing additional memory verses and character-building activities are also available.

In addition, all memory verses are presented at a level appropriate for 3- and 4-year-olds. For example, John 3:16 reads: "For God so loved the world, that He gave His only Son ..."
